Hi Bill,

I pulled old order forms from Triple A for another event to see what we have done in the past:

(100) chairs

(20) 8' banquet tables

(12) 10x10 canopies

(1) 20x20 canopy - this and a side wall was for a beer garden that we had at event. In this case, we would need a canopy for stage in case of drizzle

(1) stage

Hansel - I do not know if the bands have a sound system they can bring. Please advise.

The permit for closing the street at Ave 58 would be needed as well.

Thank you!

Katharine
